

Full Stack Developer / Co-Founder (m/f/d)

We are a remote-first, growing AI start-up based in Cologne. Using our award-winning, proprietary AI technology, we make everyone's work easier – for instance with automated meeting summaries and smart recommendations!

What's our motivation?

Fair working conditions, diversity and social commitment are important to us! We donate to charitable organizations and let you participate via Employee Stock Ownership Plans.

Sounds interesting? Then read on!

Your tasks

- ✦ Improve our products – make our Apps and APIs even better and easier to use
- ✦ Work with the development team to implement frontend solutions
- ✦ Do mutual code reviews
- ✦ *Optional:* Work on microservices (REST-APIs) of our backend
- ✦ *Optional:* Help keeping our servers running (basic Linux and Docker admin)

Your profile

- 3+ years of experience as a software developer or strong coding skills
- Proficient in Node.js / TypeScript or Python development
- Docker / microservice architecture
- REST APIs / (GraphQL is a plus)
- Server admin experience is a plus
- Demonstrated attention to detail
- Fluency in English

What we offer!

- ✓ Fair working conditions and flexible working hours
- ✓ 100% remote work possible
- ✓ Modern office in the heart of Cologne incl. all amenities: free drinks, dining room, AC, terrasse, bean bags, a hammock, table tennis, ... we got it all! 📍 *Richmodstraße 31, Cologne*
- ✓ Opportunity for Employee Stock Ownership Plans (ESOPs)
- ✓ Exciting and challenging projects with state-of-the-art technologies
- ✓ Flat hierarchies and short decision-making processes
- ✓ Annual donation to charitable organizations

We have multiple paying customers and a ready-to-go AI app (scalable & maintainable). You will find a startup with the vision to revolutionize how professionals work and collaborate. We focus our startup on being a “remote first” company, offering the freedom of working from where you want to work.

The best part is that we have shares to offer which we would love to talk about when we meet with you. If you're looking for an inspiring startup environment where you have an immense amount of influence, this role is for you!
